Project Title: French Camp Slough Sewer Pipeline (Streambed Alteration Agreement EPIMS Notification No. SJN-16920-R2)

Project Location (include county): The project is located on French Camp Slough adjacent to where it crosses South Airport Way, County of San Joaquin, State of California; Latitude 37.881712, Longitude -121.249570; Section 6, Township 01S, Range 07E, U.S. Geological Survey (USGS) map Stockton East, Mount Diablo Meridian.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification Number SJN-16920-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Armoto Partners LLC, as represented by Matt Arnaiz.

The Project is limited to the construction of a sewer pipeline that would run under the French Camp Slough by means of jack and bore. The jacking and receiving pits would both be excavated to a depth of approximately 26 feet for the new sewer line to run approximately 10 feet below the thalweg of French Camp Slough. Both pits will be approximately 100 feet away from the top-of-bank and any riparian vegetation. A reinforced concrete pipe of 442 linear feet in length with two steel casing pipes of 0.5-inch minimum thickness and 343 linear feet in length will be installed.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
