Project Description: The city of Ontario, in cooperation with California Department of Transportation, proposes to widen Grove Avenue in the city of Ontario and the county of San Bernardino from four to six lanes between 4th Street and State Street/Airport Drive. Grove Avenue is located approximately 1.4 miles east of Euclid Avenue and approximately 1.2 miles west of Vineyard Avenue along Interstate 10 (I-10). The purpose of the proposed project is to alleviate existing and anticipated future congestion along Grove Avenue between 4th Street and Airport Drive and to improve traffic operations along the corridor in the city of Ontario.

This is to advise you that a finding of No Significant Impact (FONSI) has been made for this project by the California Department of Transportation as assigned by the Federal Highway Administration pursuant to 23 USC 327. A copy of the FONSI and the attached Environmental Assessment can be obtained from the California Department of Transportation office located at the above address.
