Title: Hudeman Slough Boat Launch Improvement Project

Applicant: California Department of Fish and Wildlife

Location: Sovereign land in Hudeman Slough, a tributary of Sonoma Creek, adjacent to 28000 Skaggs Island Road, near Sonoma, Sonoma County.

Description: Sonoma County Regional Parks proposes to upgrade the existing boat launch facility on Hudeman Slough. The project would involve demolition and reconstruction of the existing facility, and other improvements, including; a reconstructed boat launching ramp; a reconstructed boarding dock; a new low freeboard dock for launching kayaks and other small craft; a repaved and expanded parking lot; a restroom facility; a camping area with park host site; and an Americans with Disabilities Act (ADA) accessible path between the campsite, parking lot, restroom facility, and the launching ramp. The State Lands Commission action is an approval of a 25-year General Lease – Public Agency Use through December 9, 2047.

This is to advise that the California State Lands Commission, as  Lead Agency  Responsible Agency, approved the above-described project on December 9, 2022, and made the following determinations regarding the project.

- 1) The project  will  will not have a significant effect on the environment.
- 2) A  Mitigated Negative Declaration (MND) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures  were  were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan  was or  was not adopted for this project.
- 5) A Statement of Overriding Considerations  was  was not adopted for the project.
- 6) Findings  were  were not made pursuant to the provisions of CEQA.

The lead agency for the project, Sonoma County Regional Parks Department (Department), adopted the MND and Mitigation Monitoring and Reporting Program and approved the project on January 9, 2018. The California State Lands Commission has considered the MND as prepared for this project by the Department and adopted an independent Mitigation Monitoring Program incorporating Department's document. The MND and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
