## CEQA Filing Fee No Effect Determination Form

**Applicant Name:** Los Angeles Trade-Technical College      **Date Submitted:** 6/28/2010  
**Applicant Address:** 400 West Washington Boulevard, Los Angeles, CA 90015-4181

**Project Name:** Addendum to the Los Angeles Trade-Technical College Thirty Year Master Plan EIR

**CEQA Lead Agency:** Los Angeles Community College District  
**CEQA Document Type:** (ND, MND, EIR)      addendum to a previously approved EIR  
**SCH Number and/or local agency ID number:** SCH#2004121007

**Project Location:** 400 West Washington Boulevard, Los Angeles

**Brief Project Description:** The purpose of this Addendum is to address the potential environmental impacts that could occur as a result of implementing the proposed Campus Plan – Facilities Master Plan Review and Update – 2009 (Final Report, August 2009; herein after referred to as the “Campus Plan 2009 Update”). The proposed Campus Plan 2009 Update is defined as an evolution of the projects and improvements identified in the Campus Plan 2002 and the Thirty Year Master Plan. However, the potential acquisition of five nearby commercial properties for potential integration into the LATTC Campus was not previously proposed or analyzed in the prior EIRs. As such, this Addendum provides a focused review of the campus expansion component of the Campus Plan 2009 Update.

**Determination:** Based on a review of the Project as proposed, the Department of Fish and Game has determined that for purposes of the assessment of CEQA filing fees [F&G Code 711.4(c)] the project has no potential effect on fish, wildlife and habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records; you are required to file a copy of this determination with the County Clerk after your project is approved and at the time of filing of the CEQA lead agency’s Notice of Determination (NOD). If you do not file a copy of this determination with the County Clerk at the time of filing of the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid No Effect Determination Form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to Fish and Game Code Section 711.4(c)(3).
