City of San Diego Final Program Environmental Impact Report No. 2019060003 for Complete Communities: Housing Solutions and Mobility Choices (Complete Communities FPEIR) certified by the City Council on November 17, 2020 (Resolution No. R-313279); and associated resolutions amending the Land Development Manual to amend the City's CEQA Significance transportation thresholds, and adding the new Transportation Study Manual and Mobility Choices Regulations Implementing Guidelines, all relating to the City's Complete Communities Mobility Choices Program (Resolution Number R-313280). The Mobility Choices Regulations were adopted by City Council Ordinance No. 0-21274 on December 9, 2020.

Project Description A COASTAL DEVELOPMENT PERMIT (CDP) for the construction of a forty-five-foot-tall, four-story self-storage building comprised of 95,979 square feet (SF) of above-grade gross floor area. Also included in the project is 831 SF of ground floor office space and 12 parking spaces. The 28,025 SF site is located at 2401 Pacific Highway in the Little Italy neighborhood of the Downtown Community Plan area, the Centre City Planned District-Mixed Commercial land use district, and the Coastal Overlay Zone and Airport Land Use Compatibility Overlay Zone.

Project Applicant: Stevan Denenberg- 3822 Cameo Lane, San Diego CA 92111. (619) 850-3333

This is to advise that the Development Services Department of the City of San Diego on February 2, 2022 approved the above described project and made the following determinations:

- (1) No Substantial changes are proposed in the project which will require major revisions of the previous EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and,

- (2) No Substantial changes occur with respect to the circumstances under which the project is undertaken which will require major revisions of the previous EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; or,
- (3) New information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the previous EIR was certified, shows any of the following:
 - a. The project will have one or more significant effects not discussed in the previous EIR
 - b. Significant effects previously examined will be substantially more severe than shown in the previous EIR
 - c. Mitigation measures or alternatives previously found not to be feasible would in fact be feasible, and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative; or,
 - d. Mitigation measures or alternatives which are considerably different from those analyzed in the previous EIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.

It is hereby certified that the final environmental report, including comments and responses, is available to the general public at the office of the Development Services Department, 1222 First Avenue, San Diego, CA 92101.

De Minimis Impact Finding

Project Title/Location (include county):

The area included in the Downtown Community Plan, Redevelopment Plan for the Centre City Redevelopment Project ("Redevelopment Plan"), and Centre City Planned District Ordinance ("PDO") covers the downtown area of the City of San Diego, west of Interstate 5.

Project Description:

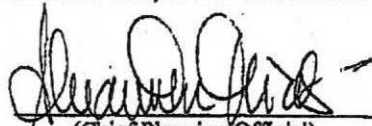

The Downtown Community Plan and Redevelopment Plan establish land use designations as well as goals and policies to govern development through the year 2030. The Centre City PDO provides more specific standards for future downtown development.

Findings of Exemption (attach as necessary):

An Environmental Impact Report was prepared for the project. The project site is a developed urban environment that does not contain wildlife resources. The project would not have adverse impact on wildlife resources and the De Minimis Impact finding can be made.

Certification:

I hereby certify that the public agency has made the above finding and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.
