This is to advise that the Hearing Officer of the City of San Diego on July 26, 2023 approved the above described project and made the following determinations:

- (1) No Substantial changes are proposed in the project which will require major revisions of the previous EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and,

- (2) No Substantial changes occur with respect to the circumstances under which the project is undertaken which will require major revisions of the previous EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; or,
- (3) New information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the previous EIR was certified, shows any of the following:
- a. The project will have one or more significant effects not discussed in the previous EIR
 - b. Significant effects previously examined will be substantially more severe than shown in the previous EIR
 - c. Mitigation measures or alternatives previously found not to be feasible would in fact be feasible, and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative; or,
 - d. Mitigation measures or alternatives which are considerably different from those analyzed in the previous EIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.

It is hereby certified that the final environmental report, including comments and responses, is available to the general public at the office of the Development Services Department, 1222 First Avenue, San Diego, CA 92101.

THE CITY OF SAN DIEGO

MEMORANDUM

DATE: March 22, 2023

TO: County of San Diego – Assessor/Recorder/County Clerk

FROM: James Alexander, Senior Planner, Urban Division

SUBJECT: Notice of Determination Filing for Project Relying on Previously Certified Downtown Final Environmental Impact Report

Per the attached Notice of Determination (NOD), the City of San Diego determined that the previously certified Downtown Final Environmental Impact Report (FEIR) (State Clearinghouse No. 2003041001) adequately addressed all environmental impacts for the enclosed project and that no further environmental review is required under the California Environmental Quality Act (CEQA). The Downtown FEIR was adopted by City Council on February 28, 2006.

Per the California Department of Fish and Wildlife (CDFW), only one fee is required when an existing certified EIR is used for multiple project approvals that would result in no additional effect to fish and wildlife (Cal. Code Regs. Tit. 14, § 753.5, Subd. (e)(3)). A copy of that receipt shall be attached to any additional notices of determination that may be required for the same project, which shall suffice as documentation that the fee was paid (Cal. Code Regs. Tit. 14, § 753.5, Subd. (e)(4)).

Therefore, the NOD for the enclosed project includes a copy of the original NOD for the Downtown FEIR and CDFW Certificate of Fee Exemption, filed in the Office of the County Clerk on March 17, 2006. County of San Diego Recorder/County Clerk management has confirmed that this approach is acceptable as proof of CDFW review and payment. If you have any questions, feel free to reach out to me at (619) 446-5188 or JamesA@sandiego.gov.

De Minimis Impact Finding

Project Title/Location (include county):

The area included in the Downtown Community Plan, Redevelopment Plan for the Centre City Redevelopment Project ("Redevelopment Plan"), and Centre City Planned District Ordinance ("PDO") covers the downtown area of the City of San Diego, west of Interstate 5.

Project Description:

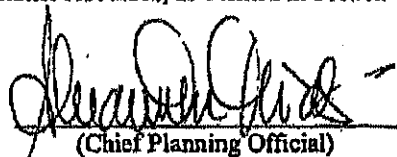

The Downtown Community Plan and Redevelopment Plan establish land use designations as well as goals and policies to govern development through the year 2030. The Centre City PDO provides more specific standards for future downtown development.

Findings of Exemption (attach as necessary):

An Environmental Impact Report was prepared for the project. The project site is a developed urban environment that does not contain wildlife resources. The project would not have adverse impact on wildlife resources and the De Minimis Impact finding can be made.

Certification:

I hereby certify that the public agency has made the above finding and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.
