**Project Number:** PRJ-1060654

**State Clearinghouse Number:** 2003041001

**Project Title:** 815 5<sup>th</sup> Avenue Entertainment

**Project Location:** 815 5<sup>th</sup> Avenue San Diego, CA 92101

**City/County:** San Diego/San Diego

**Description of Previous Action and Project:** The purpose of the Downtown Community Plan is to establish the land use vision and development polices for downtown, as a component of the City of San Diego's General Plan. The Community Plan provides strategies and specific implementation actions that allow the vision to be accomplished. In addition, the Community Plan also provides a basis for evaluating whether specific development proposals and public projects are consistent with Plan policies and standards.

The Final Environmental Impact Report (FEIR) for the Downtown Community Plan, Centre City Planned District Ordinance (CCPDO), and 10th Amendment to the Centre City Redevelopment Plan (State Clearinghouse (SCH) No. 2003041001) was certified by the former Redevelopment Agency (Former Agency) and the Council of the City of San Diego (City Council) on March 14, 2006 (Resolutions R-04001 and R-301265, respectively); and subsequent addenda to the FEIR certified by the Former Agency on August 3, 2007 (Former Agency Resolution R- 04193), April 21, 2010 (Former Agency Resolutions R-04508 and R-04510), August 3, 2010 (Former Agency Resolution R-04544) and certified by City Council on February 12, 2014 (Resolution R-308724) and July 14, 2014 (Resolution R309115), and November 17, 2020 (Resolution R-313302); and the Final Supplemental Environmental Impact Report (SEIR) for the Downtown San Diego Mobility Plan (SCH No. 2014121002) certified by the City Council on July 6, 2016 (Resolution R-310561).

Development within the Downtown Community Planning area is also covered under the following documents, referred to collectively as the CAP FEIR: the FEIR for the City of San Diego Climate Action Plan (CAP) (Project No. 416603/SCH No. 2015021053) certified by the City Council on January 4, 2016 (Resolution R-310176); the Addendum to the CAP FEIR for the CAP Consistency Checklist (Project No. 416603/SCH No. 2015021053) adopted by the City Council on July 19, 2016 (Resolution R-310595); and the Addendum to the CAP FEIR for the City of San Diego CAP Update (Project No. 416603/SCH No. 2015021053) adopted by the City Council on August 10, 2022 (Resolution R-314298).

The Downtown FEIR and CAP FEIR are both Program EIRs prepared in compliance with the California Environmental Quality Act ("CEQA") Guidelines Section 15168.

**Description of Current Project:** A Conditional Use Permit (CUP) for non-acoustic disc jockey, live entertainment, and a dance floor within an approximately 3,000 square-foot fully enclosed ground floor restaurant located at 815 5<sup>th</sup> Avenue between E Street and F Street in the Gaslamp Quarter neighborhood of the Downtown Community Plan area (District 3).

**Project Applicant:** MP Permits, Inc. 640 West Beech Street, San Diego, CA 92101 (619) 852-4690

**Determination:** Pursuant to Public Resources Code Section 21166 and CEQA Guidelines 15162, the City has determined that: (1) there is substantial evidence that none of the conditions requiring preparation of a subsequent or supplemental EIR exist, and (2) the City will rely on the previous environmental document, which adequately addresses this project.

This is to advise that the Hearing Officer of the City of San Diego on April 23, 2025 approved the above-described project and made the following determinations:

- (1) No Substantial changes are proposed in the project which will require major revisions of the previous Downtown FEIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and,
- (2) No Substantial changes occur with respect to the circumstances under which the project is undertaken which will require major revisions of the previous FEIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; or,
- (3) New information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the previous FEIR was certified, shows any of the following:
  - a. The project will have one or more significant effects not discussed in the previous FEIR;
  - b. Significant effects previously examined will be substantially more severe than shown in the previous FEIR;
  - c. Mitigation measures or alternatives previously found not to be feasible would in fact be feasible, and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative; or,
  - d. Mitigation measures or alternatives which are considerably different from those analyzed in the previous FEIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.

Furthermore, the City has made the following determinations:

1. The project in its approved form  would, or  would not have a significant effect on the environment.
- 2.

The proposed project  would, or  would not introduce additional impacts or increase the severity of impacts beyond those already analyzed in the FEIR.

3. Mitigation measures  were,  were not, made a condition of the approval of the project;
4. New Findings  were,  were not, required pursuant to CEQA Guidelines Section 15091.
5. New Statement of Overriding Considerations  were,  were not, required.

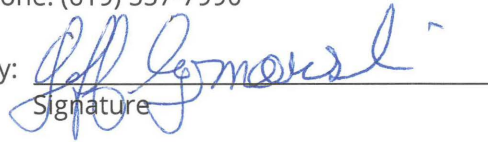

**Responsible and Trustee Agency:** Implementation of the project  will require  will not require coordination with the following responsible and/or trustee agencies:

It is hereby certified that the CEQA 15162 Consistency Analysis Memorandum and final environmental document(s) are available to the public at the office of the City's Development Services Department, 1222 First Avenue, San Diego, CA 92101.
