**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2018092067

**Project Title:** Salmon Creek – Salmonid Habitat Enhancement w/ Accelerated Recruitment (Lake or Streambed Alteration Agreement No. 1600-2019-0755-R1)

**Project Location (include county):** The Project is located in Humboldt County on Salmon Creek near Loleta, California on approximately 360,000 acres of privately owned land. This is located at 40.6604096 latitude, - 124.1793727 longitude at the downstream end of the Project reach; Fields Landing 7.5 Minute U.S. Geological Survey Quadrangle map. The Salmon Creek Project reach contains multiple features starting approximately 4.0 miles upstream of the confluence of Salmon Creek and Hookton Slough and approximately 0.9 miles upstream of the confluence with Little Salmon Creek.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0755-R1, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Eel River Watershed Improvement Project.

The project is limited to installing 19 large woody features containing a total of 36 pieces of large wood, and planting 200 native conifers and 600 willow cuttings within 1.1 miles of Salmon Creek.

This is to advise that CDFW, acting as the Lead Agency, approved the above described project on 09/30/2019 and has made the following determinations regarding the project:

1. The project will not have a significant effect on the environment.
2. A  mitigated negative declaration /  negative declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project and the record related to project approval is available to the general public for review at CDFW's regional office listed above.
