SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2018092067

Project Title: Large Woody Debris and Stream Enhancement on San Geronimo Creek (Lake or Streambed Alteration Agreement No. 1600-2020-0050-R3)

Project Location: The Project is located in Marin County on San Geronimo Creek at the confluence with Larsen Creek in Fairfax, California, on privately owned land located at 38.0153 north Latitude and 122.6748 west Longitude. The Project area is located 4.1 miles east of Samuel P. Taylor State Park, along Sir Francis Drake Blvd, across from the San Geronimo Valley Community Center. The central address for the project is 6359 Sir Francis Drake Blvd. San Geronimo, Ca 94963.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2020-0050-R3, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Salmon Protection and Watershed Network.

The Project will install a minimum of eight (8) Large Woody Debris structures consisting of a minimum of 30 logs with rootwads and plant native tree species along 550 feet of central San Geronimo Creek; and restore 3,500 square feet of native riparian habitat following the removal of a storage shed, playground, and sandbox on the banks of the San Geronimo Creek/Larsen Creek confluence.

This is to advise that CDFW, acting as a Lead Agency, approved the above described project on November 27, 2018 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
