SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2017112032
Project Title: Nevada Street over Deer Creek Bridge Replacement Project
Project Applicant: City of Nevada City
Project Location (include county): Nevada Street near Boulder Street in Nevada City, Nevada County, CA

Project Description:
The project would replace the existing bridge on Nevada Street over Deer Creek. The proposed project site includes bridge approaches, and approximately 300 linear feet of Nevada Street, and portions of adjacent privately owned and publicly owned parcels. The existing Bridge is approximately 34-feet (ft) wide, 61-ft long, two-span steel girder bridge constructed in 1938. The bridge was evaluated by Caltrans as functionally obsolete. The proposed bridge will be approx. 44-ft wide, 68-ft span with 30° skew angle. Street improvements will be necessary.

This is to advise that the City of Nevada City has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency described project on January 10, 2018 and has made the following determinations regarding the above described project.

- 1. The project [input unchecked] will [input checked] will not] have a significant effect on the environment.
- 2. [input unchecked] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [input checked] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [input checked] were [input unchecked] were not] made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [input checked] was [input unchecked] was not] adopted for this project.
- 5. A statement of Overriding Considerations [input unchecked] was [input checked] was not] adopted for this project.
- 6. Findings [input checked] were [input unchecked] were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

RESOLUTION NO. 2018-03

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEVADA
CITY, STATE OF CALIFORNIA, ADOPTING A MITIGATED NEGATIVE
DECLARATION FOR NEVADA STREET OVER DEER CREEK
BRIDGE REPLACEMENT PROJECT**

WHEREAS, pursuant to the California Quality Act, California Public Resources Code Section 2100et seq. ("CEQA") and CEQA's implementing guidelines, California Code of Regulations, Title 147, Section 15000 et seq., and initial study was prepared and it has been determined that the proposed project qualifies for a Mitigated Negative Declaration because the proposed Project known as the "Nevada Street Over Deer Creek Bridge Replacement Project" ("Project") with the proposed mitigation measures cannot, or will not, have a significant effect on the environment;

WHEREAS, City staff have reviewed the Initial Study/Mitigated Negative Declaration prepared by LSA Associates, Inc. for the Project and determined that it has been prepared in compliance with CEQA and CEQA's implementing guidelines;

WHEREAS, a Mitigation Monitoring Program has been prepared and is included within the Mitigated Negative Declaration; and

WHEREAS, a duly noticed Public Meeting was held by the City Council on January 24, 2018, and all interested persons were given an opportunity to be heard; and

WHEREAS, the City Council gave due and careful consideration to the matter during its meeting of January 24, 2018; and

WHEREAS, the bridge replacement Project has been programmed as a result of routine bridge inspections conducted by Caltrans which identified numerous deficiencies. Furthermore, FHWA conducted a National Bridge Inspection and identified that the bridge has unknown foundations and is considered scour critical; and

WHEREAS, that there is no substantial evidence in the record supporting a fair argument that the proposed project, as mitigated and conditioned might have any significant adverse impact on the environment; and

WHEREAS, that the proposed Mitigated Negative Declaration reflects the independent judgment of the City Council of Nevada City; and that the mitigation measures will reduce potentially significant impacts to less than significant levels; and

WHEREAS, that the location and custodian of the documents which constitute the record of these proceedings is the Nevada City Planning Department, 350 Broad Street, Nevada City, California; and

WHEREAS, a Notice of Determination has been prepared for the Project.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Nevada City as follows:

Section 1. Based on the review and determination of the Planning Department, the City Council of the City of Nevada City finds that the Project will not have a significant effect on the environment as determined by the Mitigated Negative Declaration prepared under the California Environmental Quality Act.

Section 2. A Mitigated Negative Declaration is approved for the Project.

Section 3. Upon approval of the Project by the City Council, the Deputy City Clerk may file the Notice of Determination with the County Clerk of Nevada County and, if the Project requires a discretionary approval from any state agency, with the State Office of Planning and Research, pursuant to the provisions of Section 21152(b) of the Public Resources Code and the State EIR Guidelines adopted pursuant thereto.

PASSED, APPROVED AND ADOPTED by the City Council of the City of Nevada City at a public meeting held on the 24th of January, 2018.
