State Clearinghouse Number (if submitted to State Clearinghouse): 1993112027

Project Title: River Islands Phase 2 (RD 2062 Check Dam Construction)

Project Applicant: Reclamation District No. 2062 (Responsible Agency)

Project Location (include county): Stewart Tract, City of Lathrop, San Joaquin County

Project Description:

Reclamation District No. 2062 ("RD 2062") is proposing six (6) "check dams" along the landside levee slope and toe of the left bank of the Old River and the right bank of Paradise Cut. The check dams will slow velocities and reduce scour potential of potential floods, thus providing resiliency and robustness to the non-Federal, interior levee owned by RD 2062 should the Federal Project levee be breached. The project was evaluated under the Sixth Addendum to the River Islands SEIR.

This is to advise that the Reclamation District No. 2062 has approved the above
(Lead Agency or Responsible Agency)

described project on 6/5/2020 and has made the following determinations regarding the above
(date)
described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

RD 2062 Offices, 73 W. Stewart Road, Lathrop, CA 95330

Signature (Public Agency):  Title: President

Date: 6/12/2020 Date Received for filing at OPR: _____

Note: The EIR referenced above is for the entire River Islands project, where an MMP and Statement of Overriding conditions were approved by the lead agency. This subsequent project (check dams) is covered by the Sixth Addendum to the EIR that identified no additional impacts and no additional mitigation measures not already included in the River Islands SEIR.
