Project Title: River Islands Phase 2 (RD 2062 Check Dam Construction)

Project Applicant: Reclamation District No. 2062 (Responsible Agency)

Project Location (include county): Stewart Tract, City of Lathrop, San Joaquin County

Project Description:

Reclamation District (RD) No. 2062 is proposing to install six (6) "check dams" along the landside levee slope and toe of the left bank of the Old River and the right bank of Paradise Cut. RD 2062 has changed the location of the check dams it approved in 2020. The check dams will slow velocities and reduce scour potential. This project will also involve the placement of rip rap at two locations to reduce scour potential. This project was evaluated under the Seventh Addendum to the River Islands EIR.

This is to advise that the Reclamation District No. 2062 has approved the above
 Lead Agency or Responsible Agency)

described project on 8/29/2022 and has made the following determinations regarding the above
 (date)
 described project.

1. The project will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was was not] adopted for this project.
5. A statement of Overriding Considerations was was not] adopted for this project.
6. Findings were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
