SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2014071057

Project Title: Amendment 6 to Streambed Alteration Agreement No. 1600-2015-0045-R6 for the Owens Lake Dust Mitigation Program Phase 9/10 Project

Project Location: The project is located in the Owens Lake bed, bounded by State Route 136 to the north and east, State Route 190 to the South, and US Highway 395 to the West, in the County of Inyo, California; Township 16S, Range 37E, Owens Lake US Geological Survey map; Township 17S, Range 38E, Keeler US Geological Survey map; Township 18S, Range 37E, Vermillion Canyon US Geological Survey map; Township 16S, Range 37E, Dolomite US Geological Survey Map; Township 18S, Range 37E, Owens Lake US Geological Survey Map

Project Description: The California Department of Fish and Wildlife (CDFW) is executing an Amendment to Streambed Alteration Agreement number 1600-2015-0045-R6, pursuant to section 1602 of the Fish and Game Code to the Los Angeles Department of Water and Power (LADWP) represented by Mr. Clarence Martin. The Amendment includes: the construction of an 8,490-foot long berm road and the extension completion of the a existing 1,530-foot berm road within the T-13-1 Addition Dust Control Area; the construction of a 4,000-foot long berm road within the T-17-2 Dust Control Area; the retention of gravel riprap berms along the perimeter of Dust Control Area T29, 5,750 feet of berm around the perimeter of Dust Control Area T36, and 2,427 feet of berm adjacent the Brady Highway from Dust Control Area T-27N to T13-2 (except the for the area adjacent to T-18); and the installation of an above ground irrigation system within 53.14-acres of area within dust control cell T-32-2.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on June 17, 2019 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the Addendum to the Environmental Impact Report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The Addendum to the Environmental Impact Report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
