**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code section 21108

**State Clearinghouse Number:** 2003111131

**Project Title:** Line A-H, Perris Project, Streambed Alteration Agreement No. EPIMS-RIV-42847-R6

**Project Location (Riverside County):** The Line A-H, Perris Project (Project) is located within the Line A-H Channel, which connects the Evans Channel and the Perris Valley Storm Drain, within the City of Perris in the County of Riverside, State of California; Latitude 33.80476, Longitude -117.203150; Section 21, Township 4, Range 3, U.S. Geological Survey (USGS) Perris map, San Bernardino base. The Project is located within Assessor's Parcel Number 320-430-018.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS-RIV-42847-R6, pursuant to Fish and Game Code section 1602, for the Project Applicant Pulte Group, Inc. as represented by Robert Paradise.

The proposed Project is limited to 1) upgrading a partially constructed storm water drainage facility that currently runs along the south side of Tract 30850 for 1,963 linear feet; 2) minor modifications to a hydraulic junction basin that currently runs parallel to Evans Road for 360 linear feet; 3) refining an outlet facility into the Perris Valley Storm Drain (PVSD) for a Project impact total of 2,323 linear feet; 4) removal of existing sections of concrete; 5) installation of a 6-inch- thick reinforced concrete trapezoidal channel that will consist of 1.5:1 side slopes and a bottom width of 15 feet; 6) compacting the embankments of the widened channel; 7) placement of a 3-inch layer of 1-inch coarse aggregate on the embankments; 8) installation of a 15-foot-wide concrete access ramp; 9) installation of a 15-foot-wide access road; 10) installation of a concrete transition structure on the southern end of the basin to transition from the 1.5:1 to 3:1 slopes; 11) placement of Class V rip-rap slope protection; 12) and installation of a 80 foot long by 31-foot-wide bridge over the Line A-H channel.

This is to advise that CDFW, acting as a Responsible Agency, approved the Project described and has made the following determinations regarding the Project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The Project **WILL NOT** have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **WERE** made a condition of CDFW's approval of the Project.
4. A Mitigation Reporting or Monitoring Plan **WAS** adopted by CDFW for this Project.
5. A Statement of Overriding Considerations **WAS NOT** adopted by CDFW for this Project.
6. Findings **WERE** made by CDFW pursuant to California Code of Regulations section 15091.

## Notice of Determination

---

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office
