Project Title: Amended Northlake School Project (Addendum to Greenbriar Development Project EIR)

Project Applicant: Twin Rivers Unified School District

Project Location (include county): Northlake Community, North Natomas area City & County of Sac.

Project Description:

TRUSD is proposing to construct and operate a new school to serve TK-8 grades with 1,083 seats in the Northlake Community in the North Natomas area of the City of Sacramento. The Greenbriar Development Project included an elementary school that would serve up to 800 K-6 grade students. Since adoption of the Greenbriar Development Project and certification of the EIR, the school site was increased from 10 acres to 16.8 acres. This expansion was addressed in a prior Addendum to the EIR.

This is to advise that the Twin Rivers Unified School District has approved the above (Lead Agency or Responsible Agency)

described project on March 8, 2022 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
