(Public Resources Code section 21108)**

File Ref: L7763; A4078

SCH#: 2000031092

Item: 42

Title: Goleta Slough Routine Maintenance Activities

Applicant: Santa Barbara County Flood Control District

Location: Sovereign land located in San Pedro Creek, San Jose Creek, Atascadero Creek, and Goleta Slough; and sovereign land located in the Pacific Ocean adjacent to Goleta Beach County Park

Description: Continued periodic maintenance dredging for flood control purposes of a combined maximum of up to 200,000 cubic yards (cy) of sediment annually from San Pedro Creek, San Jose Creek, Atascadero Creek, and Goleta Slough; and the placement of up to 200,000 cy of sediment annually in the surf zone at the west end of Goleta Beach County Park. The State Lands Commission action is to authorize issuance of a General Lease – Public Agency Use beginning December 8, 2023, for a term of 5 years.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on December 5, 2023, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) A Subsequent Environmental Impact Report (EIR) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, the Santa Barbara County Flood Control District (District), certified the Subsequent EIR and Mitigation Monitoring and Reporting Program and approved the project on November 9, 2010. The California State Lands Commission has previously considered the EIR as prepared for this project by the District and adopted an independent Mitigation Monitoring Program incorporating the District's document, which remains in full force. The EIR and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
