SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2012052019

Project Title: Woodman Creek Road Association Sediment Treatment (Lake or Streambed Alteration Agreement No. 1600-2019-0558-R1)

Project Location (include county): The project treats road sections on Woodman Creek Road, which begins approximately two miles north of Laytonville and terminates at the Eel River, in the County of Mendocino, State of California; Sections 16 and 20, Township 22N, Range 14W; Mt. Diablo Base and Meridian, in the Iron Peak and Laytonville, Calif. U.S. Geological Survey 7.5-minute quadrangles.

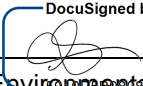

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0558-R1, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Colin Hughes, representing Pacific Watershed Associates.

The project is limited to 18 encroachments: install/replace culvert at 12 sites; armor diversion along road ditch at two sites, install armored fill at one site, add rock dissipation at one site, and install a vented armored fill at one site. One culvert site will also serve as a point of diversion, with water drafting to a truck. Culverts and crossings will accommodate 100-year flow, including sediment and debris, and will be installed to current standards. Standard treatments include mulching and seeding exposed soil, and replanting trees in-kind at a 3:1 ratio to those removed.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on September 30, 2019 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW’s permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW’s approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW’s record of project approval as Responsible Agency is available at CDFW’s regional office.
