Project Title: Delta Flood Emergency Facilities Improvement Project Refinements Addendum

Project Applicant: Department of Water Resources, Division of Flood Management

Project Location (include county): West Weber Avenue, Stockton, San Joaquin County

Project Description:

In 2019, the DWR Division of Flood Management reexamined the use of the Stockton EMTF and determined that a small paved pathway between the warehouses would be necessary for forklift travel. The proposed path will consist of a 10-foot wide, 3-inch thick asphalt overlay placed over existing developed and impervious surface. The total length of the pathway will extend 810 linear feet and encompasses a total of 0.50 acres. The construction of this path is estimated to take approximately one...
