To address changes in State legislation, a changing regional context and forecasted future growth, National City is conducting the Focused General Plan Update. The Focused General Plan Update will include updates to policies, supporting updates to codes, ordinances, and development standards, and will guide development through 2050. Policy updates will be reflected in the Land Use Element, Transportation Element, Safety Element, and Climate Action Plan, which were last updated in 2011, and portions of the Municipal Code.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in
