Project Title: La Pata Transfer Station Project

Project Applicant: Rancho Mission Viejo

Project Location (include county): East of La Pata Ave, west of Sierra Pasture Rd, south of Hwy 74, Orange Cty

Project Description:

The Project includes the construction of a facility for consolidating recyclable materials collected as part of the municipal collection from southern Orange County municipalities. Recyclable materials will be consolidated and then transferred to the CRR&R facility in Stanton for sorting; thereby diverting these materials from the Prima Deshecha landfill. The 10-acre site will accommodate buildings for administrative offices, space for the unloading and transfer of materials, areas for truck parking and employee parking, and vehicle maintenance and fueling areas.

This is to advise that the RWQCB - San Diego Region has approved the above (Lead Agency or Responsible Agency)

described project on September 26, 2019 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
