Project Description: (please use a separate page if necessary)

The Sanborn County Park Master Plan (Plan) documents the vision and long-term direction in accordance with the mission and vision of the County Parks Department (Department), including opportunities for partnerships, reuse of historic buildings, and opening property of the Park to the public. The Plan examines the existing conditions of the Park, including its current use and functions, and assesses the feasibility of a variety of potential changes and improvements. The Plan provides recommendations for the future development of the Park. The recommendations consider additional visitor-serving amenities and revenue generating facilities, as appropriate, and prioritizes infrastructure improvements to support those uses.
