Project Title: Cosumnes River Bridge Replacement Project

Project Applicant: California Department of Transportation

Project Location (include county): At the crossing of State Route (SR) 99 and the Cosumnes River, Sacramento

Project Description:

Approval of Permit No. 19431, under California Code of Regulations, Title 23, Section 6, for work within an adopted plan of flood control, within a Regulated Stream (Table 8.1; Title 23, Div. 1, Article 8): To remove four existing bridge structures and replace with two new bridges; and place rock slope protection for scour protection at the abutments. Temporary bridges will be constructed adjacent to the existing bridges to accommodate traffic during the four years while constructing the new bridges.

This is to advise that the Central Valley Flood Protection Board has approved the above (Lead Agency or Responsible Agency)

described project on September 27, 2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
