

ND No. 678
DATE POSTED 03/26/19
DATE FINAL 04/25/19

NEGATIVE DECLARATION

OC WASTE & RECYCLING
300 N. FLOWER STREET
Suite 400
SANTA ANA, CALIFORNIA 92703-5000

In accordance with Orange County Board of Supervisor's policies regarding implementation of the California Environmental Quality Act, the County of Orange has conducted an Initial Study to determine whether the following project may have a significant adverse effect on the environment. On the basis of that study, the County of Orange hereby finds that the proposed project will not have a significant adverse effect on the environment and does not require the preparation of an Environmental Impact Report because either the proposed project:

- Has or creates no significant environmental impacts requiring mitigation; or
- Will not create a significant adverse effect, because the Mitigation Measures described in the Initial Study have been added to the project.

The environmental documents, which constitute the Initial Study and provide the basis and reasons for this determination are attached and hereby made a part of this document.

PROJECT:

Title: Removal of Vegetation by Goats at the Former Gothard Street Landfill File No: 678

Location: 18131 Gothard Street, Huntington Beach

Description: The proposed project would allow for the removal of existing vegetation by goats at the former Gothard Street Landfill.

Project Proponent or Applicant: Project Proponent - OC Waste & Recycling

Division/Department: Responsible for Proposed Project OC Waste & Recycling Room No. Suite 400
Address: 300 N. Flower St., Suite 400, Santa Ana, CA 92703

Project Contact: John Arnau, CEQA Manager (address above) Phone: (714) 834-4107 Email: john.arnau@ocwr.ocgov.com

NOTICE:

The Negative Declaration may become final unless written comments or an appeal is received by the office listed above by 4:30 p.m. on **April 25, 2019**. If you wish to appeal the appropriateness or adequacy of this document, address your written comments to our finding that the project will not have a significant adverse effect on the environment: (1) identify the environmental effect(s), why they would occur, and why they would be significant, and (2) suggest any mitigation measures which you believe would eliminate or reduce the effect to an acceptable level. Regarding item (1) above, explain the basis for your comments and submit any supporting data or references.

Dated: March 26, 2019 By: John J. Arnau

NOTE: This document and supporting attachments are provided for review by the general public. This is an information document about environmental effects only. Supplemental information is on file and may be reviewed in the office listed above. The decision-making body will review this document and potentially many other sources of information before considering the proposed project.
