CITY OF VACAVILLE (CITY), ENVIRONMENTAL IMPACT REPORT (EIR) FOR THE GREENTREE PROJECT (PROJECT); SCH # 2019049003

Dear Mr. Peyman Behvand:

Thank you for the opportunity to review the Mitigated Negative Declaration for the proposed Project. The State Water Resources Control Board, Division of Drinking Water (State Water Board, DDW) is responsible for issuing water supply permits pursuant to the Safe Drinking Water Act. A project requires a permit if it includes water system consolidation or changes to a water supply source, storage, or treatment or a waiver or alternative from Waterworks Standards (California Code of Regulations (CCR) title 22, chapter 16 et. seq).

The State Water Board, DDW, as a responsible agency under CEQA, has the following comments on the City's draft EIR:

- When the new wells are to be drilled and operated, the City must apply for an amended water supply permit from the State Water Board, DDW, San Francisco District.
- Please post the Water Supply Assessment Report for the Greentree Development Project, Appendix 4.14-2, that is part of this CEQA document.

If a State Water Board, DDW permit will be triggered and the water system components are analyzed in the EIR, when the CEQA review process is completed, please forward the following items with your permit application to the State Water Board, DDW San Francisco District Office to DWPDIST04@waterboards.ca.gov:

- Copy of the draft and final EIR with the Mitigation Monitoring and Reporting Plan (MMRP), Findings, and Statement of Overriding Consideration (SOC);
- Copy of any comment letters received and the lead agency responses as appropriate;
- Copy of the Resolution or Board Minutes adopting the EIR, MMRP, Findings, and SOC; and
- Copy of the stamped Notice of Determination filed at the Solano County Clerk's Office and the Governor's Office of Planning and Research, State Clearinghouse.

Please contact Lori Schmitz of the State Water Board at (916) 449-5285 or Lori.Schmitz@waterboards.ca.gov, if you have any questions regarding State Water Board CEQA comments.

Sincerely,

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR
