Notice is hereby given that the Lead Agency named below has completed an Initial Study of the following described project at the following location:

Table with 2 columns: Field Name (Lead Agency, Project Name, Project Description, Project Location) and Field Value (Palm Springs Unified School District, Desert Hot Springs High School Career Tech Building, The Palm Springs Unified School District (District) is proposing to construct a Career Technical Education (CTE) Building... The DHSHS is located at 65850 Pierson Boulevard in the central portion of the City of Desert Hot Springs.)

This Initial Study was completed in accordance with the Lead Agency's Guidelines implementing the California Environmental Quality Act. On the basis of the Initial Study, the Lead Agency's Staff has concluded that the project, with the incorporation of mitigation measures, will not have a significant effect on the environment, and has therefore prepared a Draft Mitigated Negative Declaration. The Initial Study reflects the independent judgment of the Lead Agency.

- Checkboxes for project site status, significance, and meeting requirements. Includes options for 'IS on a list', 'IS NOT on a list', 'considered a project of statewide, regional or areawide significance', and 'scoping meeting WILL/WILL NOT be held by the lead agency'.

Copies of the Initial Study and Draft Mitigated Negative Declaration are on file and are available for public review online at www.pusd.us and at the Lead Agency's office, located at 150 District Center Drive, Palm Springs, CA 92262

Lead Agency Address: 150 District Center Drive, Palm Springs, CA 92262

The review period for this project starts on April 2, 2019 and ends on May 1, 2019. Comments will be received until May 1, 2019. Any person wishing to comment on this matter must submit such comments, in writing, to the Lead Agency prior to this date.

Date: May 28, 2019 Time: 6:00 PM

If the Lead Agency finds that the project will not have a significant effect on the environment, it may adopt the Mitigated Negative Declaration. This means that the Lead Agency may proceed to consider the project without the preparation of an Environmental Impact Report.
