Project Title: Montgomery Middle School Whole Site Modernization Project

Project Applicant: N/A

Project Location (Include County): City of San Diego, San Diego County

Project Description: The Proposed Montgomery Middle School Whole Site Modernization Project includes modernization improvements to support student learning and instruction; to improve student health, safety, and security; to upgrade school accessibility and code compliance; and to repair and replace outdated or inefficient building systems. Proposed improvements would be largely limited to existing facilities. The proposed project would not increase capacity of the existing school. Ground disturbing activities would be limited to installation of fencing and the proposed chiller plant, improvement of existing pathways, and the relocation of an existing transformer. All project-related activities would be supported by bond funds under Propositions S and Z. Construction would begin in July of 2019 and end in August of 2020.

This is to advise that the San Diego Unified School District has approved the above described project on 07/09/2019 and has made the following determinations regarding the above described project:
(Lead Agency or Responsible Agency)
(Date)

- 1. The project [ ] will [x] will not have a significant effect on the environment.
