Various locations throughout Merced County

Project Location (include County)

Project Description: Merced County Streams Group proposes to continue the implementation of the Flood Control Maintenance Program and any incidental routine activities related to water conveyance within natural streams located in Merced County. The project is defined as maintenance activities that occur within the stream channel in diverse locations in the County of Merced.

This notice is to advise that the County of Merced, as the Lead Agency, has approved the above described project on October 1, 2019 and has made the following determinations regarding the above described project:

- 1) The project will not have a significant impact on the environment.
- 2) A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation Measures were made a condition of approval for the project.
- 4) A Mitigation Reporting or Monitoring Plan was adopted for this project.
- 5) A Statement of Overriding Considerations was not adopted for the project.
- 6) Findings were not made pursuant to the provisions of CEQA.

The adopted MND with comments and responses and record of the project approval is available to the public at the Merced County Department of Public Works, 715 Martin Luther King Jr. Way, Merced, CA 95341.
