Subject: CDFW FILING FEE – SR-14 at Ave N I/C Project (SCH#2019049144)

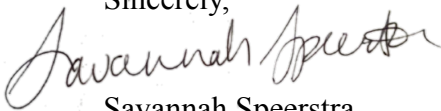

Currently, the Caltrans District 7 office, located in Downtown Los Angeles is closed for safety reasons due to the ongoing protests and county wide curfews. The check for the California Department of Fish and Wildlife (CDFW) filing fee for the Negative Declaration has been prepared for \$2,406.75 and is located in the District 7 office. As I am currently unable to enter the building, I do not have access to the check to mail it at this time. When access to the building returns, the check will be mailed to the Los Angeles County Clerk's office at:

Los Angeles County Registrar-Recorder/County Clerk Office
Business Filings and Registration
P.O. Box 1208
Norwalk, CA 90650-1208

Once I receive the receipt, it will be uploaded to the CEQAnet portal.

Thank you for your understanding.

Sincerely,

Savannah Speerstra
