

**Notice of Exemption**

**To:** Office of Planning and Research  
PO Box 3044, 1400 Tenth Street, Rm 113  
Sacramento, CA 95812-3044

**From:** California Department of Fish and Wildlife  
Habitat Conservation Planning Branch  
P.O. Box 944209  
Sacramento, CA 94244-2090

**Project Title:** Amendment to Fireworks America Safe Harbor Agreement for Large-flowered Fiddleneck

**Project Location:** The Project is located on a property owned by Fireworks & Stage FX America (Fireworks America) that consists of approximately 490 acres (County Assessor Parcel Number 251-12-004) located along Coral Hollow Road in San Joaquin County, approximately six miles west of the City of Tracy, California.

**Project Description:** The California Department of Fish and Wildlife is amending a Safe Harbor Agreement that was issued to Fireworks America pursuant to the California State Safe Harbor Agreement Program Act for participation in a project to aid the recovery of the California-endangered large-flowered fiddleneck (*Amsinckia grandiflora*).

The Project that Fireworks America is participating in is being implemented by Vollmar Natural Lands Consulting (VNLC) and is funded by the Central Valley Project Conservation Program. The VNLC project involves the propagation and introduction of large-flowered fiddleneck to sites within the species' presumed historic range. Habitat modeling and focused field surveys by VNLC have revealed that much of the potentially suitable habitat for large-flowered fiddleneck occurs on privately-owned land. Successful introduction of large-flowered fiddleneck therefore depends on cooperation with private landowners. One of the most promising introduction sites identified by VNLC is the property owned by Fireworks America.

VNLC has introduced large-flowered fiddleneck seeds and seedlings to the Fireworks America property, and has enclosed an area with barbed wire fencing. Management and monitoring of the introduced population is being carried out by VNLC.

California Department of Fish and Wildlife is amending the Safe Harbor Agreement to change the expiration date from December 31, 2018 to December 31, 2021.

**California Public Agency Approving Project:** California Department of Fish and Wildlife

**Person or Agency Carrying Out Project:** Fireworks & Stage FX America

**Exempt Status:**

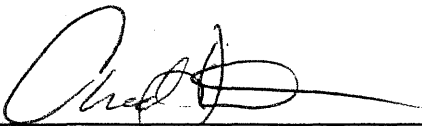

- Ministerial;  
 Declared Emergency;  
 Emergency Project;  
 Categorical Exemption: sections 15306, 15307 and 15333; classes 6, 7, and 33

**Reasons why project is exempt:** See attached.
