San Francisco to Stockton Navigation Improvement Project

Final General Reevaluation Report and Environmental Impact Statement

This announcement constitutes the Notice of Availability of the Final General Reevaluation Report (GRR) and Environmental Impact Statement (EIS) for the San Francisco to Stockton Navigation Improvement Project, pursuant to the National Environmental Policy Act and U.S. Army Corps of Engineers Regulation (33 CFR 230.11). The study has analyzed alternatives to improve navigation along a 13.2 mile length of navigation channel which spans from Central San Francisco Bay to Avon (just east of the Benicia-Martinez Bridge) including the Pinole Shoal Channel and the Bulls Head Reach portion of the Suisun Bay Channel. The Final GRR and EIS are available at the following web addresses:
