Project Title: North Hollywood to Pasadena Bus Rapid Transit Corridor Project

Project Applicant: Los Angeles County Metropolitan Transportation Authority

Project Location (include county): Cities of Los Angeles, Burbank, Glendale, Pasadena (Los Angeles County)

Project Description:

The Proposed Project extends approximately 19 miles from the North Hollywood Metro B/G Line (Red/Orange) Station on the west to Pasadena City College on the east. The Proposed Project would generally include dedicated bus lanes where there is adequate existing street width, while operating in mixed traffic within the City of Pasadena. The bus rapid transit (BRT) service would operate in various configurations depending upon the characteristics of the roadways. The Proposed Project would provide enhanced transit service and improve regional connectivity and mobility by implementing several key BRT elements, including dedicated bus lanes on city streets, transit signal priority (TSP), and enhanced stations with all-door boarding. TSP facilitates buses through signalized intersections and improves transit travel times and reliability.
