Project Title: Sumner Hill Water System Improvement Project

Project Applicant: Madera County

Project Location (include county): Sumner Hill (County Service Area #16); Madera County

Project Description:

The existing water system will be improved by adding a new tube settler clarifier; replacing existing treatment filters with two 175- Gallon Per Minute (GPM) packaged water systems; replacing existing storage tanks with two new 160,000 gallon tanks; and installing a solids handling system. Additional improvements include relocating the chlorine injection point; installing internal flow baffles in one storage tank; installing chemical feed system for corrosion inhibitor, chlorine coagulant, and polymer; installing a Supervisory Control and Data Acquisition system; and upgrading the treated water booster pump station. All work will occur within the existing footprint of the facility.

This is to advise that the Madera County has approved the above (X) Lead Agency or ( ) Responsible Agency

described project on June 28, 2019 and has made the following determinations regarding the above described project. (date)

- 1. The project [ ] will [X] will not] have a significant effect on the environment.
