Dear Ms. Valenzuela:

Thank you for including the California Department of Transportation (Caltrans) in the environmental review process for the Mitigated Negative Declaration (MND) for the improvements to the Niland County Sanitation District project located near State Route 111 (SR-111). The mission of Caltrans is to provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability. The Local Development-Intergovernmental Review (LD-IGR) Program reviews land use projects and plans to ensure consistency with our mission and state planning priorities.

Please confirm that there is an existing paved apron from Alcott Road connecting to SR-111. Caltrans recommends paved aprons for driveways connecting to State Highways.

Please see Appendix J, Road Connections and Driveways (attachment).

If you have any questions, please contact Roger Sanchez-Rangel, of the Caltrans Development Review Branch, at (619) 688-6494 or by e-mail sent to roger.sanchez-rangel@dot.ca.gov.

Sincerely,
