Project Description: (please use a separate page if necessary)

The approximately 3.95-acre project site is within the North Oakland planning area and Rockridge neighborhood. The site is comprised of one parcel at 5200 Broadway. Arts Campus Holdings, LLC, is currently proposing to redevelop the CCA Oakland campus with up to 48 residential units in two residential buildings up to 10 stories in height. The project would also include approximately 16,945 square feet of office space; a 1,408-square-foot commercial retail; 1.46 acres (63,727 square feet) of privately-owned public open space, including 11,884 square feet of space that may be used for group assembly space; 268 structured and ground level parking spaces (there are 41 existing spaces for a net increase of 227 new spaces); and 510 bicycle parking spaces. Some of the retail and group assembly space may be utilized for personal instruction and improvement services. Macky Hall and the Broadway Wall and Stairs are proposed to be preserved with Macky Hall also planned for renovations. The Carriage House would be relocated on-site and renovated. The remaining ten buildings would be demolished. The Notice of Preparation described the project site as including two parcels including 5276 Broadway on other side of Clifton, which was subsequently removed from this project. In 2021 the City of Oakland purchased the property utilizing the state HOMEKEY program and undertook renovations of the units and common spaces. The property is now operated by SAHA as permanent affordable housing for seniors.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
