Project Title: Esajian Basin

Project Applicant: Kings County Water District

Project Location (include county): Excelsior Avenue/7th Avenue, Kings County

Project Description:

Peoples Ditch currently runs from northeast to southwest through the eastern side of the property. The Project will include the development of a new 75-acre recharge basin and would realign Peoples Ditch in order to make the basin area more productive and manageable. The realignment of Peoples Ditch would require developing several associated control structures. SCADA may be involved in the modified control structures in Peoples Ditch as well as other operational improvements. New turnout facilities from Peoples Ditch will be developed to deliver water to the basin cells. Additionally, several groundwater monitoring facilities would be developed at the Project site.

This is to advise that the Kings County Water District has approved the above
