Reasons why project is exempt:

This project will involve the installation of a solar energy system on the roof of an existing building and pursuant to Pub. Res. Code § 21080.35 is exempt from CEQA. The materials will enable the generation and use of solar PV. The system will be installed at a vineyard in San Joaquin County. Associated equipment will not occupy more than 500 square feet of ground surface.

The project does not involve a federal Clean Water Act permit; waste discharge requirements under Porter-Cologne Water Quality Control Act; individual take permit; streambed alteration permit; or removal of specific required or native trees. For these reasons, this project is statutorily exempt from CEQA under Pub. Res. Code § 21080.35.

Each exemption is an independent basis for finding the project exempt.
