Cal. Code Regs., tit 14, §§ 15301, 15304, and 15311
- Statutory Exemptions. State code number.
- Common Sense Exemption. (Cal. Code Regs., tit 14, §15061(b)(3))

Reasons why project is exempt:

California Code of Regulations, title 14, section 15301: The project involves minor alteration and operation of existing facilities. Solar arrays will be installed to power existing on-site agricultural irrigation pumps. These installations will not expand the existing agricultural use and will not have a significant effect on the environment.

California Code of Regulations, title 14, section 15304: The project to install solar arrays involves minor grading, trenching, and backfilling to provide an alternate source of power for the existing on-site irrigation pumps. These activities will not have a significant effect on the environment.

California Code of Regulations, title 14, section 15311: The project will install new solar arrays accessory to the existing, on-going agricultural operation. These installations will not expand the existing agricultural use and will not have significant effect on the environment.

Each exemption is an independent basis for finding the project exempt.
