Project Title: Avtech Parkway Electric Vehicle Charging Infrastructure Project, J.O. #4908-55 (ED-11-19)

Project Location – Specific: 3611 Avtech Parkway

Project Location – City: Redding

Project Location – County: Shasta

Description of Project: Redding Electric Utility (REU) proposes to install electric vehicle charging station infrastructure at the gated access REU office located on Avtech Parkway. The project will be constructed using state grant funding from the California Energy Commission, which is implemented by the California Electric Vehicle Infrastructure Project (CALeVIP). The project includes the installation of foundations, charging stations, pullboxes, meters, transformers, and electrical conduit. The existing Avtech electrical room equipment will be modified to convey the power supply to the charging stations. Work will involve trenching, minor excavation, paving, striping, and sign installation.

Name of Public Agency Approving Project: City of Redding

Name of Person or Agency Carrying Out Project: Lowell Watros, Project Manager

Exempt Status: *(check one)*

- Ministerial [Section 21080(b)(1); 15268]
- Declared Emergency [Section 21080(b)(3); 15269(a)]
- Emergency Project [Section 21080(b)(4); 15269(b)©]
- Categorical Exemption. State type and section number: Sec. 15301 & 15303
- Statutory Exemptions. State code number:

Reasons why project is exempt: Class 1 exemptions include the operation, repair, maintenance, or minor alteration of existing structures, facilities, and mechanical equipment, including electrical conveyances. Class 3 exemptions include the installation of small new equipment and facilities in small structures, and the conversion of existing small structures. The project is located in an existing paved parking lot and there are no biological resources or cultural resources that could be impacted by this project. The project has no potential to have a significant effect on the environment.
