STATE CLEARINGHOUSE NUMBER: 2019079062

PROJECT NUMBER: 2010004-002C

DOCUMENT TITLE: New Well and Pipeline Project (Parkwood CMD 19A&B Water System Improvements) (Project)

PROJECT LOCATION: South of Avenue 13 between S Madera Avenue and Raymond Thomas Street, Madera, California 93637

PROJECT DESCRIPTION: The State Water Resources Control Board (State Water Board) is a Responsible Agency for the Project. The State Water Board's Drinking Water State Revolving Fund (SRF) Program is financing the Project referred to internally as New Well and Pipeline Project. The Project includes construction of a production well to replace an existing offline well on the same parcel. The new well will be capable of producing approximately 1,000 gallons per minute and includes above and below-ground associated infrastructure. New pipeline improvements would be constructed in needed areas identified by a 2016 infrastructure study. Additional improvements include two new intertie connections to the existing City of Madera water distribution system, upsizing of one section of pipe, looping, 2,200 feet of pipe at the southern end of the service area, and new water meters at all 506 service connections. The Project also includes a six-inch thick, 20 feet long by 12 feet wide, concrete slab, pumps, a fence, and a backup power generator.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: The State Water Board has approved SRF financing for the Project described above on August 25, 2023. Madera County will be carrying out the Project. The State Water Board has made the following California Environmental Quality Act (CEQA) determinations regarding the Project:

1. The Project will not have a significant effect on the environment. The Project will not have a significant effect on water quality impacts. This determination is

limited to effects on water quality under the State Water Board's jurisdiction as a Responsible Agency.

2. A Negative Declaration was prepared and adopted for the Project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of approval of the Project.
4. A mitigation monitoring and reporting plan/program was not adopted for the Project.
