SUBJECT: Filing Notice of Determination in compliance with §21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse):

2019079063

Project Title/Project Applicant:

Holly Street Bridge Seismic Retrofit Project / City of Pasadena

Project Location (include county):

City of Pasadena, Los Angeles County

Project Description:

The City of Pasadena, in coordination with the California Department of Transportation (Caltrans), proposes to rehabilitate and seismically retrofit the existing two-lane Holly Street Bridge (No. 53C1041) over the Arroyo Seco Channel, the Arroyo Seco Trail (a Class 1 multi-use trail), and North Arroyo Boulevard. The seismic retrofit would occur on the Holly Street Bridge southeast of Linda Vista Avenue, and entirely within the City of Pasadena, Los Angeles County, California. Staging areas would occur along North Arroyo Boulevard between the Holly Street Bridge and Seco Street, as well as other staging areas at the intersection of Seco Street and West Drive. Access to the bridge would also occur along North Arroyo Boulevard and Linda Vista Avenue. The existing bridge was constructed in 1925 and is 45.3-foot wide by 400.0-foot long. The bridge is a concrete arch-deck span constructed from cast-in-place concrete. According to the 2020 Caltrans Bridge Inspection Report (BIR), the bridge currently holds a sufficiency rating of 39.4 and is classified as Structurally Deficient.

Electronically signed by L. REISHA MCCOY

The proposed Project would provide needed rehabilitation and a seismic retrofit to the existing bridge. Bridge rehabilitation and retrofit would include a deck rehabilitation, rehabilitation of the existing concrete barrier, joint rehabilitation, spandrel column retrofit, concrete spall repair, and a bonded grout treatment. Duration of construction is still being determined but may take between 12 and 18 months. Deck rehabilitation would require closure of the Holly Street Bridge to vehicle and pedestrian traffic for several months; however, adjacent communities would be notified prior to the closure and the proposed Project would involve the use of a detour and temporary access route using Linda Vista Avenue, San Rafael Avenue, Colorado Boulevard, and Orange Grove Boulevard.

A Copy of the Negative Declaration (or Mitigated Negative Declaration) is available for review at the Pasadena Public Works Department at the above referenced address.

This is to advise that the City of Pasadena Lead Agency or Responsible Agency has approved the above described project on March 17, 2025 and has made the following determinations regarding the above described project:

1. The project will will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared and certified for this project pursuant to the Provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was was not adopted for this project.
5. A Statement of Overriding Considerations was was not adopted for this project.
6. Findings were were not made pursuant to the provisions of CEQA (Section 15091).

This is to certify that the Final Mitigated Negative Declaration with comments and responses and record of project approval is available to the General Public at: The City of Pasadena Public Works Department, 175 N. Garfield Avenue, Pasadena, CA 91101.
