- Categorical Exemption. State type and section number: Cal. Code Regs., tit. 14, §15301
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

This project will involve the installation of 1 electric vehicle charger in a bus yard that is currently being constructed by the school district apart from the Energy Commission grant funded project at a school campus in Brentwood. The charger will be used to charge new electric school bus that will replace an existing diesel bus. This installation will be a minor alteration to an existing facility with no expansion beyond the existing use of the facility and will not have a significant effect on the environment.

This project therefore falls under categorical exemption listed in CEQA Guidelines Section 15301. The cumulative impacts of the construction of the bus yard and the installation of electric vehicle charger at the site will not result in a significant environmental impact. Further, none of the other exceptions listed in CEQA Guidelines Section 15300.2 apply to this project.
