Present Land Use/Zoning/General Plan Designation:

Almond Orchard & Residential/VLDR-1.0 (Very Low Density Residential - 1-acre minimum)/Very Low Density Residential

Project Description: (please use a separate page if necessary)

The project site consists of a 49-acre parcel with an older almond orchard, the residence of the property owner and associated outbuildings (Figure 4). The project is a tentative subdivision map to divide +/-49.4 acres into 47 single-family residential lots, which will be 1-acre or larger in size. The project is proposed to be completed in 3 phases. Phase 1 will include proposed lots 1 through 9 and lots 40 through 47. Phase 2 will include lots 10 through 17 and 29 through 39. Phase 3 will include lots 18 through 28. There is an existing residential dwelling and accessory structures on proposed lot 47. Per Butte County Code section 24-56.1, Residential Setback from Orchards and Vineyards, the project applicant met with County staff to determine an appropriate residential setback. A 100-foot residential setback is identified on parcels.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
