STATE CLEARINGHOUSE

Dear Jackie Young:

Encroachment Permit

Please be advised that any work or traffic control that encroaches onto the State right-of-way (ROW) requires an encroachment permit that is issued by Caltrans. To obtain an encroachment permit, a completed encroachment permit application, environmental documentation, and six (6) sets of plans clearly indicating the State ROW, and six (6) copies of signed and stamped traffic control plans must be submitted to: Office of Encroachment Permits, California DOT, District 4, P.O. Box 23660, Oakland, CA 94623-0660. To download the permit application and obtain more information, visit <https://dot.ca.gov/programs/traffic-operations/ep/applications/>

Thank you for including Caltrans in the environmental review process. Should you have any questions regarding this comment or require any additional information, please feel free to contact me at (510) 286-5562 or Michael.McHenry@dot.ca.gov.
