 Jennifer Stewart, (916) 574-1719

SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.

State Clearinghouse Number (SCH No.): 2019079119

Project Title: Permit No. 19470: Turlock Irrigation District - Harding Fish Barrier Project

Project Applicant: Turlock Irrigation District (TID)

Lead Agency/Address: 333 East Canal Drive, Turlock, CA 95380

Lead Agency Contact Person: Philip Govea, (209) 883-3447

Project Location/City/County: The project is located 500 feet west from the intersection of West Harding Road and South Carpenter Road, at the Harding Drain Culvert for the TID, east from Patterson in Stanislaus County, California.

Project Description: Approval of Permit No. 19470, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To construct a fish barrier on the right (east) bank of the San Joaquin River. The barrier will be a metal screen with removable panel sections and a reinforced concrete foundation. The fish barrier project will also involve constructing a three-inch-thick concrete liner on the bottom of the channel, placing riprap in front of the fish barrier, constructing a crane set up area for future maintenance operations of the barrier on the waterside of the levee, and constructing a temporary earthen cofferdam that will be utilized during construction.

This is to advise that the Central Valley Flood Protection Board, as the **Responsible Agency**, approved the above described project on October 22, 2021 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CVFPB's permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of CVFPB's approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by CVFPB for this project
5. A Statement of Overriding Considerations [was / was not] adopted by CVFPB for this project.
6. Findings [were / were not] made by CVFPB pursuant to the provisions of CEQA.

Responsible Agency Statement: This Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency's office listed above. CVFPB's administrative record of proceedings related to the encroachment permit is available for public review at CVFPB's office.
