Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2019080297

Project Title: Orinda Water Treatment Plant Disinfection Improvements Project (Supplemental EIR)

Project Location: 190 Camino Pablo, City of Orinda, Contra Costa County, California (see attached map).

Project Description: The 2006 Water Treatment and Transmission Improvement Program (WTTIP) EIR identified improvements to water treatment processes at the Orinda Water Treatment Plant (WTP). Due to changes in the identified improvements and in conformance with CEQA, the Project prepared a Supplemental EIR to the WTTIP EIR. The Project includes demolition of an existing maintenance building and construction of a new disinfection facility comprised of a new above-ground two-story maintenance and ultra-violet electrical (MAUVE) building with a below-grade UV structure and a below-grade chlorine contact basin (CCB), two electrical buildings, a standby generator, pipelines and vaults, and other supporting facilities. The MAUVE building with UV structure and the CCB would be adjacent and fully integrated facilities. Maintenance activities and associated uses previously housed in the existing maintenance building that will be demolished will be incorporated into the Project disinfection facility and grounds maintenance building with associated parking at the Orinda WTP site. The Project will also install landscaping around the Orinda WTP perimeter, remove vegetation, replace existing and install new security fencing, and restore the site following construction.

This is to advise that the East Bay Municipal Utility District has approved the above described project on Lead Agency Responsible Agency

December 8, 2020 and has made the following determinations regarding the above described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a conditions of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the Supplemental Environmental Impact Report
 Negative/Mitigated Negative Declaration

with comments and responses and record of project approval is available to the General Public at:

East Bay Municipal Utility District, Office of the Secretary, Room 829, 375 Eleventh Street, Oakland, CA 94607, and on the District website at: <https://www.ebmud.com/orwtpimprovements>.

Re: CEQA Environmental Document Filing Fees
Project Title: Orinda Water Treatment Plant Disinfection Improvements Project
(Supplemental EIR)
State Clearinghouse No: 2019080297

Dear Ms. Cooper,

Pursuant to Executive Order N-80-20 signed by Governor Newsom on September 23, 2020, and instructions provided by the Office of Planning and Research (<http://opr.ca.gov/ceqa/>), enclosed is check number 2565296 in the amount of \$3,343.25. This payment is the CEQA environmental document filing fee for a Notice of Determination - Supplemental Environmental Impact Report for the above referenced project. Also enclosed is check number 2565297 in the amount of \$50.00 for payment of the Clerk's processing fee.

Please process these payments and provide a receipt to our office in the self-addressed stamped envelope provided. Please contact our office if you have any questions.

Sincerely,

Rischa S. Cole
