Project Title: Hawver Road and Gwin Mine Road Storm Repair (Streambed Alteration Agreement No. 1600-2019-0092-R2)

Project Location: The project is located at multiple locations along the Calaveras River and unnamed tributary to Mokelumne River, in the County of Calaveras, State of California.

Project Description: The California Department of Fish and Wildlife has executed Streambed Alteration Agreement number 1600-2019-0092-R2, pursuant to Section 1602 of the Fish and Game Code to Robert Pachinger representing Calaveras County.

The project consists of repairing sections of Gwin Mine Road and Hawver Road that were damaged during the 2017 storms in Calaveras County. Project activities entail bank stabilization, culvert replacement, sediment removal, the replacement of rock slope protection (RSP), and repairing an existing low water crossing.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: Calaveras County

Exempt Status:

- Statutory Exemption. State code number
- Categorical Exemption. Type – Class (1); California Code of Regulations, title 14, section (15301) Existing Facilities

Reasons why project is exempt: The project activities entail the rehabilitation of deteriorated or damaged structures to meet current standards of public health and safety and will have no expansion of an existing use.
