Project Title: Mono Chain Up Areas (09-36660)

Project Applicant: CA Department of Transportation (Caltrans)

Project Location (include county): Various locations on US 395 and US 06 in Mono County

Project Description:

The CA Dept. of Transportation will make improvements to ten existing chain control turnouts on US 395 and build two new chain control turnouts; one on US 395 near the SR 203 intersection (Mammoth Lakes) and the other on US 06 near Slim Princess Rd. Due to increased winter traffic, existing chain control areas can become crowded during peak times. Improvements include new signage, flashing beacons and lighting.

This is to advise that the CA Department of Transportation (Caltrans) has approved the above (Lead Agency or Responsible Agency)

described project on 10/29/2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
