Project Description:

The proposed project is an update of the CSUF Educational and Facilities Master Plan, also known as the Campus Master Plan (CMP). The CMP is a guide for the future development of the CSUF campus, to accommodate growth and change, up to the year 2039. The CMP would accommodate an increase in full-time equivalent students (FTES) from the previous master plan ceiling of 25,000, for the 2016/2017 school year, to 32,000 FTES for the 2039 CMP ceiling.

This is to advise that the Trustees of the California State University has approved the above described project on July 22, 2020 and has made the following determinations regarding the above described project:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of approval of the project.
4. A mitigation reporting and monitoring plan was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Final EIR with comments and responses and record of project approval is available to the General Public at: CSUF Capital Programs & Facilities Management, 800 N. State College Boulevard, Fullerton, California 92831, and at <https://masterplan.fullerton.edu/>.
