**CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE
CALIFORNIA ENVIRONMENTAL QUALITY ACT FINDINGS FOR
LAKE OR STREAMBED ALTERATION AGREEMENT No. 1600-2014-0034-R1**

Introduction

The California Environmental Quality Act (CEQA) (Public Resources Code Section 21000, *et seq.*) and the State CEQA Guidelines (Guidelines) (Section 15000, *et seq.*, Title 14, California Code of Regulations) require that no public agency shall approve or carry out a project that identifies one or more significant effects, unless the agency makes the following finding as to each significant effect:

Changes or alterations have been required in, or incorporated into, the project which mitigate or avoid the significant effects on the environment.

Timber Harvesting Plans (THPs) and Nonindustrial Timber Management Plans (NTMPs) are documents prepared according to a certified state regulatory program and they substitute for a Negative Declaration or an Environmental Impact Report, pursuant to Guidelines sections 15251 and 15252. As the Lead Agency for THPs and NTMPs, the California Department of Forestry and Fire Protection (CAL FIRE) approved **THP 1-19-00019 MEN on June 1, 2019; 1-17-106 MEN on January 30, 2018; 1-18-054 MEN on August 24, 2018; 1-14-140 MEN on March 17, 2015; and 1-14-147 MEN on April 3, 2015.** CAL FIRE found that the THPs will not result in significant environmental effects with the mitigation measures required in or incorporated into each THP.

The California Department of Fish and Wildlife (CDFW) is entering into a lake or streambed alteration agreement (Agreement) with **Mr. Jeff Houser, representing Usal Redwood Forest Company.** The activities to be completed according to the Agreement are located on tributaries to **South Fork Usal Creek, Usal Creek, Water Gulch, South Fork Eel River, Eel River, Chimney Rock Creek, and Soldier Creek, in Mendocino County. The project sites are located in Sections 2, 6, 15, 17, and 19 in Township 23N, Range 17W; Sections 5, 27, and 26, Township 24N, Range 18W; Sections 1, 10, 24, and 25, Township 23N, Range 18W; Section 6, Township 24N, Range 17W; and Sections 34, 27, and 35, Township 05S, Range 03E (HBM).**

Because CDFW is issuing the Agreement, it is a Responsible Agency under CEQA. As a CEQA- Responsible Agency, CDFW is required by Guidelines Section 15096 to review a THP or NTMP approved by the Lead Agency that includes the activities addressed in the Agreement and to make a finding that the Agreement's activities will not cause significant, adverse environmental effects. However, when considering alternatives and mitigation measures approved by the Lead Agency, a Responsible Agency is more limited than the Lead Agency. When issuing the Agreement, CDFW is responsible only for ensuring that the direct or indirect environmental effects of activities addressed in the Agreement are adequately mitigated or avoided. Consequently, the findings adopted or independently made by CDFW with respect to an Agreement's activities are more limited than the findings of the Lead Agency funding, approving, or carrying out the activities addressed in a THP or NTMP.

Findings

CDFW has considered the THPs approved by CAL FIRE that are named above. CDFW has independently concluded that the Agreement should be issued under the terms and conditions specified therein. In this regard, CDFW hereby adopts the findings of CAL FIRE as set forth in the THP or NTMP insofar as they pertain to the impacts on biological resources from the activities addressed in the Agreement.
