RE: SCH2019099009

We are submitting a revised Notice of Intent for Revised SCH2019099009 as we have discovered an error in the document. For that reason, the local review period was extended to July 8, 2022 and the state review period will also need to be revised to July 8, 2022.

These are not changes that we can make because the documents were already approved. Please revised the NOI attachment and the review periods on our behalf.

Sincerely,

Lio Salazar, AICP
Planning Division Manager
